Subject: Cancellation of the Festive Divine Services

Dear Apostles and Friends,
Dear Ministers,
Dear Brothers and Sisters.

Our Chief Apostle has given an information that his flights into and out of Indonesia have been cancelled by the airlines. It has become impossible for Europeans to travel. District Apostles: Leonard Kolb and Peter Schulte also would not be able to fly to Indonesia due to the present circumstances, since the government agencies seem to continually tighten the restrictions to travel. Regretfully, our Chief Apostle and the District Apostles have to cancel their trip to Indonesia.

In the Philippines and Malaysia, mass gatherings, including religious events, have already been banned until after Easter in order to prevent the spread of the Covid-19. The same is done in many places in Indonesia.

As a result, we are forced to cancel the Festive Divine Services in Biak and Manado, Indonesia with a heavy heart.

We will have to wait for the end of the pandemic Covid-19. And the Chief Apostle will then make a decision about the program, whether he will be able to find another opportunity in this year or not.

Thank you for your understanding. We hope and pray that the situation will improve quickly!

I wish you God's help and protection.

With greetings of love from Chiang Mai, Thailand
Yours,

Edy Isnugroho
