

New Apostolic Church South-East Asia

Bandung, March 31, 2020

Dear beloved Ministers and Brothers and Sisters.

To follow up on the previous circular letters: March 3,17,19 and 21 and with due regard:

1. COVID-19 outbreak dynamics day after day.
2. Large-scale Social Limitation Policy (PSBB) and Public Health Emergency Status to tackle the Corona virus outbreak in Indonesia and similar policies in other countries that we must obey.

We decide:

Palm Sunday divine service on April 5, Good Friday on April 10, Sunday, April 19, and Sunday, April 26 2020 will be conducted by streaming divine services through the link <https://www.youtube.com/nacindonesia> which can be accessed starting at 09.45 West Indonesia Time (GMT+7).

On Easter Sunday, April 12, we will took part in the streaming service led by the Chief Apostle Jean-Luc Schneider from Frankfurt. Pr. Triyono Budi Santoso will coordinate it.

Divine services on Wednesday, April the 15th, 22nd and 29th, 2020 will be abolished and we will provide contemplation material for families in their respective homes to be taken from the DSG.

In difficult times and no one knows how this situation will develop further, let us keep relying on God. He always knows how to give us, who love Him, what is very important for our salvation.

We pray for the peace of the Risen One in the Passiontide and let us continue to pray that this crisis will quickly pass.

Yours,

Edy Isnugroho
